

2020 Decisions,  
Actions, Ideation is  
critical and achieved in  
virtual meetings.

## Do you have a clear vision & strategy for 2020/2021? Department, Sales, Leadership, Project Meetings

We have helped  
achieve results in  
over 500 meetings  
100+ repeat clients.

### Generate Input

#### Agenda Design is critical

- ◆ Tell us “**what**” you need to accomplish and we will give you an engaging design on “**how**” (virtual or in-person) to produce your needed results.
- ◆ Create ownership and accountability for actions/next steps.
- ◆ Help your Vision, Strategy, Goals, and Engaged Culture become real.

#### Skill Development

- ◆ Leadership, Interpersonal, Problem Solving, Consultative Partnering, Change Management, Collaboration, Sales, and many more!

#### Focused Facilitation...expert facilitator plus GPS producer if needed

- ◆ Keep sessions on-track, positive, and energized.
- ◆ Tools and process ensure your meeting achieves results and generates valuable input. We help compile your output and key actions so you can focus on the discussion.

#### Team Effectiveness (VIRTUAL!)

- ◆ Participants collaborate on decision making, strategy, and change.
- ◆ Activities, including community-based (e.g., poster sized cards for ICUs, kids, vets, etc.) challenges and business simulations.

### Community Based Activity

Thank you healthcare heroes at 

Treating over 200 patients at one time!

All hands pitching in including the director of urology working evening shifts at the emergency room.

Thank you for helping so many! 

### Strategy

### Skills

*Everything was amazing. We had such a great meeting that people cannot stop talking about it. Our vice-president stated that it was far beyond their imagination and that everyone was engaged the entire time.*

*The facilitator was great and had so much energy that people fed off of his excitement. I could not have asked for a better partner to help me with this meeting. —Johnson & Johnson*
